Dear Middle School Manager:

Assigning referees for the middle school season is always a challenge. During the season, there are many different soccer programs that require soccer referees; high school, middle school, and of course club soccer. Middle school and high school games present the biggest challenge because the games are played during the week. Many referees travel with their job and others just cannot leave work in time to be at the field for a 5:30pm or 6:00pm game. We all try and do the best we can.

If you would like, I will assign referees, (West Knoxville area), to your middle school games. In order to be fair to referees and to keep them coming back to do more games I require the following:

1. Center referees will be paid \$40.00 per game.
2. If you need to cancel a game call me at 966-3064, leave a message if I am not at home or email me at Bratta@chartertn.net.

If you would like me to assign referees for your team the cost is \$40.00 per season. Fill out the bottom of this sheet and send it along with a check for \$40.00 made out to:
